Barbara Streisand tells us in **The Way We Were** that ... "memories may be beautiful ... "

It is our hope that each of you will carry many beautiful memories of Dighton-Rehoboth wherever you may go. We hope that many of your teachers have made an impact forever on your lives. Surely the friends you have made will give you many memories that you can cherish throughout your lives. The good times at school, the hard work, the togetherness, and the successes should give each of you pleasant memories of D-R for years to come. In saying good-bye to the class of 1982, we wish you continued happiness and success in the future. We hope that you are taking with you many fond memories. We will remember you.

Mr. Marshall Sawyer
Principal

ADMINISTRATION

TO THE CLASS OF 1982

The twenty-first edition of the *Aurora* contains a pictured account of a few of the highlights of the senior year of the Class of 1982. As you leaf through its pages you will recall your high school years in particular, but it will also bring back some elementary school memories. You, like all the classes before you, have made a contribution to D-R's history. We are proud to be a part of your past and contributors to your future.

Good luck and best wishes.

Joseph C. Harrington, Ed. D.
Superintendent of Schools

Congratulations to members of the Class of 1982!

Hopefully the time you have spent preparing for the past 12 years was beneficial, worthwhile, and enjoyable. You now enter a time in life when you are expected to exercise independence tempered with good judgement. You will begin now to apply much of the knowledge you acquired and were wondering why. Continue to pursue educational experiences and enjoy a successful and rewarding future.

George H. Petrin
Assistant Principal

Be all that you can be.
Grow a little each day.
Live your life to the fullest.
With hope, justice, and peace.

Congratulations to the Class of 1982!

Francis M. Marcille
Assistant Principal
Director of Occupational Education

Graduation has come and gone.

You have now left the security and structure of daily school life. May the decisions you have made about your emerging adult life be wise and bring you the joy that you deserve. I wish you the very best, now, and always.

William F. Henry
Director of Guidance

MEMORIES

We entered confused and uncertain, armed with handbook maps and the praise of our eighth grade teachers. The year was a busy one, filled with learning about the school, joining teams and clubs, taking exams and losing at Spirit Week. Along the way we sold Reese's Peanut Butter Cups and learned which cafeteria lunches to avoid. This and more was freshman year.

Junior year brought confidence and experience. We were a force in the school, struggling with PSAT and SAT's, suffering through Driver's ED. and the license test. We sold magazine subscriptions and watched the basketball team win a division championship. For many of us, the highlight of the year was attending the junior prom.

Sophomore year brought refinement, acceptance as students and a real class election. We became a presence at sporting events and passed through the not so fearsome arena. By this time, we were sneaking into the library, selling linen calenders to our grandmothers, and the word of the year was boring.

Senior year was smooth and rough, joyful and sorrowful. It was knowing that you are the top and all others are beneath you. It was struggling with college applications and deadlines, winning Spirit Week, and selling scented soap. The year was filled with saying goodbye to friends who graduated early, searching the mailbox for an acceptance letter, looking for a job. It was the happiness of graduation, the sadness of a time too quickly gone, and the anticipation of the future.

SPIRIT WEEK

The Senior Class of 1982 kept with tradition and emerged victorious from the Spirit Week competition. Winning new events such as the blind jump rope and pie eating contests, as well as old favorites like the egg toss and pass the orange, the seniors built up a commanding lead which they never relinquished. Of course there were a few changes in the Spirit Week format; corridor decorations were replaced by gym decorations, the pep rally skit was replaced by . . . (?), but all in all it was week filled with fun and excitement, climaxed by a strong victory in the Thanksgiving Day game. Although no one knows the future of it, Spirit Week '81 was one to be remembered by all of us here at D.R.

Freshman Spirit

Way to go sophomores!!!

Hasn't he jumped yet??

The girls struggle for victory.

These pies sure look yummy!!!

None of this in the gym please!

Junior girls tug

Boy, that pie was good.

Hey, look at me!!

Keeping in stride!

FACULTY

Next year when you first discover
That you are just another
Little freshman in a sea
Of Doctors of Philosophy
Maybe you'll appreciate
(Even if it is too late)
Those harried people who did their best
To teach you how to pass a test
And that you should not run down halls
Or break windows with basketballs,
They taught you how to "parle francais"
And how to make cups out of clay.
They showed you that dissecting frogs
Is the next best thing to baby hogs.
So when you first begin to cram
For an important college exam
It's then that you will want to be
Back with the D-R faculty.

JUNIORS

Listen my children and you shall hear
Of all that highlights our junior year.
On the ninth of September in eighty and one
As the school year at D-R had barely begun
The juniors prepared for success.

When Spirit Week came, as it has every Fall,
The juniors had visions of winning it all.
There plans were to conquer and take home the plaque
But unexpected defeat made them give it back
To the seniors who'd won it hands down.

When it came to athletics, the juniors did well
With the help of their coaches each worked to excel.
They attacked their studies with just as much drive
Their rewards were the grades that brought them pride
And the awards that they received.

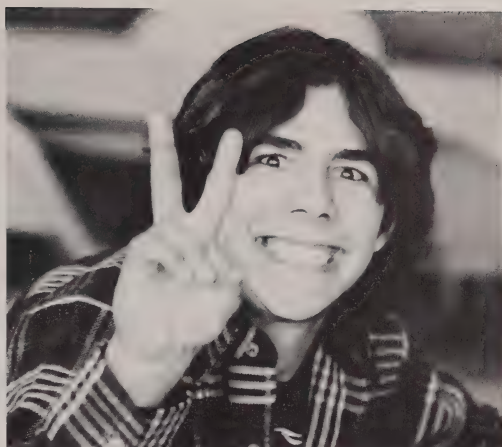

May was the month we chose for our prom
Our hardest decision was picking the song.
The gym was transformed to a fantasy land
And couples in formals danced to the band
That played almost any request.

After the seniors left early in June
The juniors realized that all too soon
They would also be leaving D-R
To work or study in places near and far
From the town they had lived in for most of their years
And that next June they'd be the ones in tears
So they should make their last year count.

Looking ahead to the time when we fill
The shoes of the seniors I'm sure that we will
Be just as successful as these seniors are
And follow their footsteps that carry us far
To achievements like theirs.

H. Moore

SOPHOMORES

The Class of 1984 raised a total of \$3394 from their freshman and sophomore years. This is one of the largest amounts raised by a sophomore class. We would like to thank the graduating Class of 1982 for their support in the past and we would like to wish them the best of luck in the future.

FRESHMAN

Freshman year has proven to be a new and exciting experience. In the fall of 1981, the freshmen entered D-R naive and not knowing quite what to expect, unsure of the layout of the school and confused about schedules and teachers. As time went on, the freshmen settled in and became more familiar with their surroundings and the ways of D-R. Also, friendships that are sure to strengthen and grow were made with students from different towns. Freshmen showed they were here to stay during Spirit Week. They asserted their loyalty and support for the school and the Falcons. This years' freshman class scored the most points ever scored by a freshman class during Spirit Week.

The 1981-82 Student Government had a very successful year. Their many activities included a candy sale and the annual Ham and Bean Supper. Both fundraisers plus a computer match were enough for the Student Government to give flowers to both senior girls and boys at graduation. A bloodmobile was held, but due to an unexpected blizzard, all volunteers were not able to give. Some major contributions of the Student Government this year were their anti smoking campaign in the lower schools, the fundraising calendar established, and their active participation in the smoking area. The Student Government also put out a newsletter for better relations with the student body. All the projects of the Student Government were very successful due to the hard work and effort put in by all its members. This year was one of the best ever.

The 1981-82 school year began with 11 seniors as members of the National Honor Society. At the induction ceremonies in November, 14 juniors and 1 senior were inducted into the society. After midyear, 4 additional seniors were inducted to bring the total membership to 30. The annual fundraisers of selling carnations for Valentine's Day and candy at basketball games were a great success in providing the funds for next year's induction banquet. Members of this year's group represented almost every aspect of D-R life, participating in most of the programs offered. Officers this year were; President: Pauline Fraga, Vice-President: Susan Spring, Secretary: Leslie George, Treasurer: Charles Fornara.

CYCLOPS

The school year of 1981-82 was a record year for the Cyclops. Due to cuts in the budget (because of Proposition You-Know-What) no funds were put aside for a school newspaper; but the Cyclops prevailed. Co-editors Diana Douglass and Laurie Schreiner aimed for a weekly one-page paper. They used school paper and the school copier for the weekly, then bi-weekly, and sometimes bi-monthly issues. The Cyclops is not planning on retirement though; the traditions of school news and opinions will continue under the instruction of Sarah McConville and Chris Perra of the class of 1983.

MEDIA

The students who are members of the Media Club learn about the library. They work with the video machines, photocopier, and film and overhead projectors. These students deliver and set up these machines upon the requests of teachers. Students in the Media Club run errands such as picking up or delivering library material. They also learn how to issue books to other students, file library cards, and file library books.

DECA

The DECA club of 1981-82, advised by Mr. Donald Murray had a terrific year. The Distributive Education students participated in the Distributive Education Clubs of America Activities. They traveled to Hyannis, Massachusetts to compete against two hundred other students from fourteen other high schools in the district I career Development Conference. They came home with twenty-nine awards, outdoing last year's record of twenty-three. These winners are now eligible to go to the state conference in Hyannis, and then to the National Conference which will be held in Chicago this year.

SEMBSA

This year several members of chorus and band auditioned for and were accepted into S.E.M.S. B.A., the Southeastern Massachusetts Bandmaster's Association. S.E.M.S.B.A. is composed of 25 area high schools. The candidate must prepare and audition a solo, if he is in the band, or perform in a quartet, if he is a chorus member. It was an excellent concert.

HOME CLUB

The Home-Economics Club participated in various activities this year. The club had three bake sales. Two were at the plays, *The Girl in the Mirror*, and *Night of January Sixteenth*. The other bake sale was held at a football game. The club sponsored a cake demonstration given by Mrs. Jecoy. The club also sponsored a trip to the School of Fashion Design in Boston. The Home-Economics club designed a display show case. The clothing used in the display was made by students in the clothing classes.

K. Collard, K. Munroe, K. Allie, Mrs. Stone, H. Spellman

HEALTH CLUB

This year was the most active year for the Health Careers Club for a long time. There were many new members who brought in fresh ideas for club activities. The club ran a community health fair where they screened for blood pressures and gave out important medical information. The club's fundraisers included car washes and bake sales.

PHOTOGRAPHY

The Photography Club offers an opportunity for students (experienced and inexperienced) to explore the visual possibilities of black and white photography. Given full instruction in the technical aspects of the camera and dark room developing, photographers are free to use the school's photo lab facilities to develop pictures of their own style and interest.

K. Fuller, D. Benjamin, S. Benson, E. Pontes, L. Schreiner, J. Conaty, K. Bump, Mrs. Watson, M. Benner, S. Andrews, K. Munroe, K. Medeiros

ART

The Art Club this year consisted of a group of serious art students, many of whom plan to continue their education in the area of art. The works of these students have been exhibited and won recognition in many regional shows. In the annual Boston Globe Show, 12 students won gold keys and went on to Boston for another competition, and one, Margret Benner, had two pieces go all the way to New York. In the annual ceramic show at Portland School of Art, three students had their work exhibited, and one, Scott Pina, won the top award of \$200. Congratulations to all the students and good luck in the future.

PORTUGUESE CLUB

To raise money, the 1981-82 Portuguese Club sold tee-shirt iron-ons, candy sticks and held bake sales. The money raised helped the club to spend a day in New Bedford, and a night of food and music at the Sagres Restaurant in Fall River. Although they did not go to Portugal, the members would like to go on a day trip to New York.

Top Left: L. Pacotti, K. Perreira, M. Garon, K. Rasmussen, T. Parkenson, J. Medeiros, Miss Gabel

FRENCH CLUB

The French Club began the year with an organizational meeting. Officers were chosen and plans and ideas for future meetings were discussed. This year's officers are: President — Leslie George, Vice-President — Debbie Letendre, and Secretary — Sarah McConville. The club had a successful year under the direction of Mrs. Mahoney. Some of the highlights of the year were a visit to the Boston Museum of Fine Arts, which was interesting as well as fun, and our traditional taffy pull. We also enjoyed learning how make crepes. (But we enjoyed eating them even more!)

BAND COUNCIL

Among the activities conducted by the 1982 Band Council were various fundraising projects. The fine efforts of the Band Council enabled the music department to present an enjoyable winter concert and a successful second year attempt at a new idea in spring concerts, called a "Spring Cabaret".

Top Left: B. Derlein, C. Perra, T. Fraga, L. Bonney, P. Lemieux, S. Turgeon, L. Lemieux

CHORUS COUNCIL

One of the main goals of the Chorus Council is to organize and prepare the spring concert. Even more important is the link the group provides between the music students and the music department heads.

TRI-COUNTY

For the second consecutive year, select members of D-R's chorus participated in the Tri-County Choral Festival. Once again the Sound Impressions performed. It was an excellent concert, as well as a great learning experience for all who were involved.

Top Left: B. Derlein, C. Perra, L. Descoteaux, M. Amaral, J. Amaral, T. Entwistle, R. Abrahamson, T. Fraga, S. Turgeon, P. Dansereau, R. Cleaveland, A. Gomes, P. Lemieux, C. Fornara

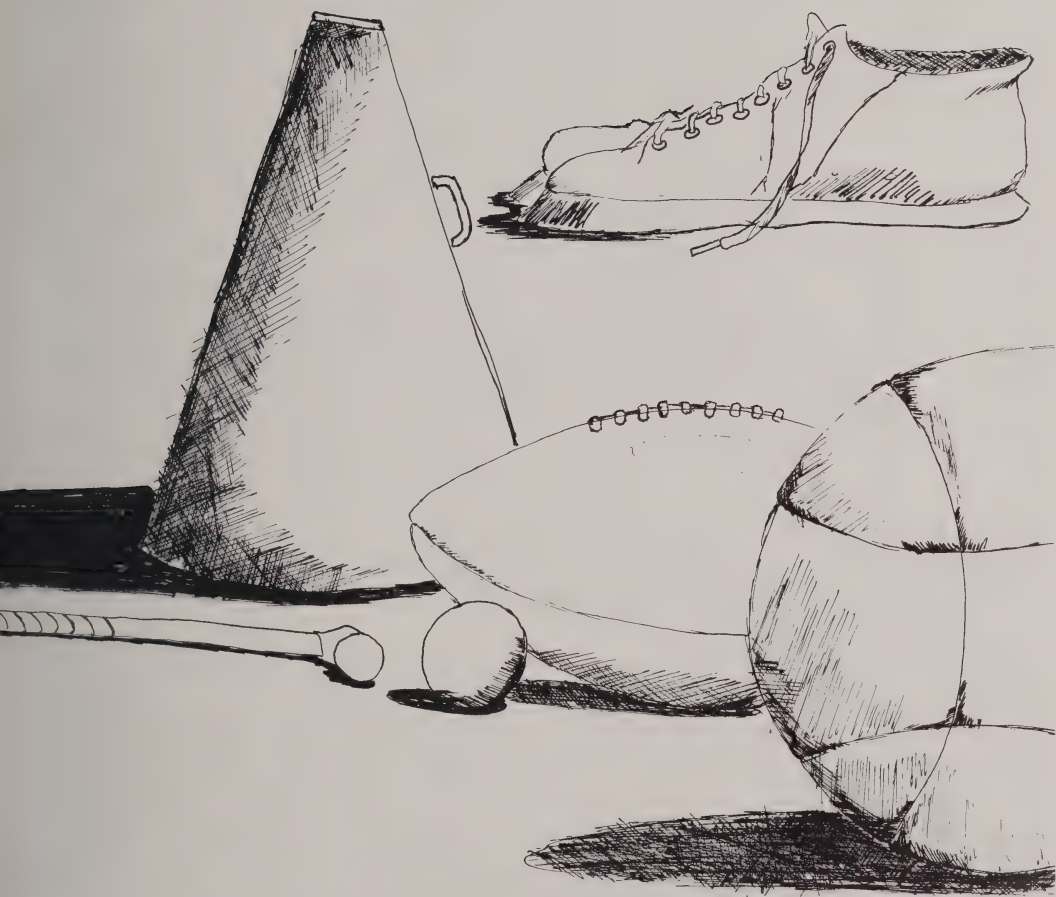

DISTRICTS

This year several members of the D-R chorus and band auditioned for and were accepted into the South Eastern District Festival. District is composed of 88 high schools in Southeastern Massachusetts. District is the first step towards All-State, where two D-R students, Dawn Potter and Kelly O'Connor, attended. Both concerts were of very high quality.

Hello Brian.

Give me another!

Class Time

I tried to write well!

But Daddy!

Best of friends

You've got to understand!

Listen to me dear.

Laurie Schreiner and Mike Benjamin, the leading actress and actor of the 1981-82 drama club production, performed with a wonderful cast under the direction of Mr. Martin and Mr. Murray. Even through the perils of a terrible winter storm, the cast perfected an excellent performance of *THE GIRL IN THE MIRROR*.

About your daughter.

CHESS TEAM

Top Left: J. Drazek, D. DeAmaral, J. Correia, S. Andrews, D. Smith, K. Rose, T. Johnson

This year's Chess Team dominated the league, reaching its 6th consecutive division championship with a 10-0 record. The team also captured its fifth consecutive conference title by defeating perennial rival Bishop Stang in a best of 3 playoff. Regular season rivals that fell to D-R's boardmen qualified for the playoffs by finishing second.

Top Left: B. Goudreau, T. Weeks, K. Hjerpe, M. Benjamin, J. Drazek, P. Monteiro, C. Morton, T. Faria, K. Viall, J. Holbrook, G. Harrison, A. Derechin, L. Turnblom

While this year was not a banner year for the Math Team, it did prove a look into future teams. With a scarcity of seniors, the team depended on underclassmen more than ever. With that in mind, prospects for the future years appear bright.

 Song: Always and Forever

Don't Cry

I'm not gone
I'm the beautiful tune
of a sweet summer song
Don't cry
I'm still near
I'm the warm autumn breeze
that blows in your ear

I'm nearer to you
than you ever will know
I'm the grass and the trees
and all things that grow
I'm the diamond-like crystals
on cool ocean sand
I'm the thousands of lines
on a new baby's hand

I'm the hot blazing sun
at the end of the day
and I know all the things
that you wanted to say
But don't cry for me
I've just won my best race
that's why God's chosen me
to come live in His place

Karen Celia

The class of 1982 expresses their deepest sorrow in the passing of our former classmate, Kevin W. Gaudreau. Though taken away he will continue to live in the memories of his friends and loved ones.

To All of Kevin's Friends:

March 12th is a day most of us will never forget. On that day we all lost someone close to us; for me a nephew, for his mother a son, and for you a good friend. As much as I would like to be able to, there is nothing I can do to bring Kevin back; none of us can.

It was my hope that Kevin would have had the opportunity to experience a good and long life — a life in which I believe he would have helped others. But Kevin will not have that opportunity, however, you do and because you do I would like to make a request of all of you — and the request is this.

That you promise Kevin that at least once in your life you will do something special in memory of Kevin, something that you might not normally do that will help somebody and as a result make this world a little better.

This something might be coaching a team, helping a person to learn a new subject, or helping a person through time of trouble.

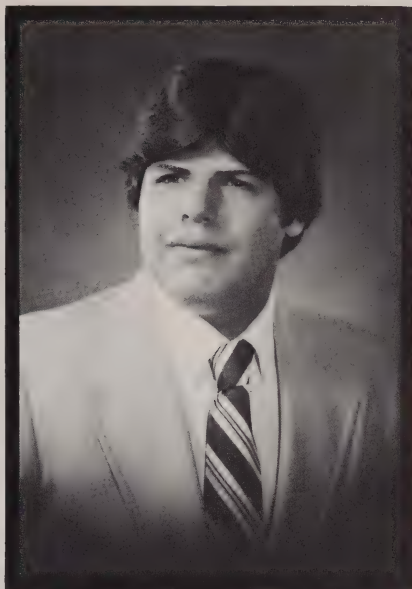

Whatever you do let Kevin know by saying to yourself and Kevin, "Kevin, I am doing this in memory of you."

This promise is a promise between you and Kevin, a promise that only you and Kevin know if you decide to make and keep.

My hope is that all of you will at least once during your life do something special in memory of Kevin so that the good that I believe Kevin would have done will still be done through you. Please make this promise to Kevin.

I would like to thank all of you for your support and response during the days following March 12th, and I wish you all a good life.

Sincerely yours,
Gordon Woodbine
Kevin's Uncle
March 26, 1982

To All of Kevin's Friends:

Words cannot express our loving thanks to all of you — especially the Senior Class. You are one great group of people and also very special to us. We are so proud of Kevin's class and his friends. Kevin loved being with you in sports, in classes and he treasured your friendship. Your love, caring and reaching out to others is a priceless part of you. Don't lose it, let it grow as you grow and share it. Good friendships never die. You are our strength and we are your friends. God bless you and we love you all.
